PRODUCT INFO

WineDrawer is a unique wine fridge, designed to replace a standard kitchen drawer that can also fit under the oven. With a capacity of five bottles, including Champagne, and five pre-set temperature settings, it ensures that every type of wine is stored at the perfect temperature. The WineDrawer fits seamlessly into standard 60 cm wide kitchen cabinets and the frontals can be customised to match your existing design. With its soft, luxurious illumination, it's the perfect finishing touch for any modern kitchen.
