

# Venus

## PRODUCT INFO

**Venus** is supplied in black with LED lights. Venus is a good choice for smaller top boxes with a height limitation as it's only 209 mm high. Note that it can only be fitted in cabinets with a base panel. Venus is particularly popular in darker cabinets where you want a sleeker discrete integration.

## TECHNICAL INFORMATION

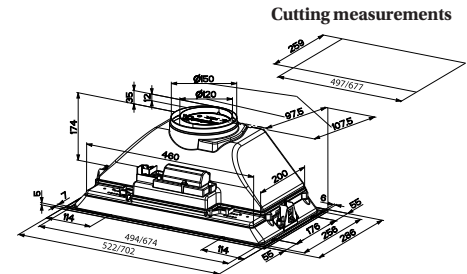

|                                |             |
